

HOW TO BE A **TRAINED** GYMNASTICS COACH

Coach education starts with three foundational courses:

Foundations Introduction
Foundations Theory
Foundations Sport Specific

You need all three courses to be a trained gymnastics coach, but before you get started:

- Make sure you are a Gymnastics Ontario Member. Check with your current gymnastics club or our Membership Services Manager: membership@gymnasticsontario.ca
- Create a profile in [The Locker](#) through the Coaches Association of Canada. This profile houses all of your personal coaching qualifications. You will be granted an NCCP (National Coaching Certification Program) number that will stay with you throughout your career.
