

2013—2014

Annual Report

Strategic Plan 2013-2017

MISSION

VISION

VALUES

To lead the Sport of Gymnastics in Ontario by striving for excellence in the development and promotion of quality programs and services which encourage lifelong involvement for all participants.

G.O. will be respected as the leading organization in Canadian Sport. Leadership ✧ Accountability ✧ Excellence ✧ Integrity ✧ Collaboration

STRATEGIC PLAN 2013-2017

The Gymnastics Ontario Strategic Plan sets out the strategic priorities that will guide direction over the current four year Olympic cycle. Through the process of developing the Strategic Plan, 4 priority directions and 13 strategic objective were identified and are outlined below. A more detailed description is available in the 2013-2017 Strategic Plan Report. The Strategic Plan does not focus on the many ongoing activities underway at Gymnastics Ontario and this does not diminish the importance of these activities, as they all contribute to achieving Gymnastics Ontario objectives.

1. **Coaching Depth and Excellence:** Establishing a coordinated and effective system for attracting, training, developing and retaining coaches is fundamental to the future success and continuity of the club system of gymnastics in Ontario, and the development of our future champion gymnasts.
 - A) Depth - Develop a strategy to increase the number of Level 2 and Level 3 coaches
 - B) Excellence - Partner with GCG to develop and improve the coaching curriculum (NCCP)
 - C) Excellence - Develop a repository of resources to support coaching competency
2. **Public Awareness and Engagement:** Ontario is home to 12 million people and 2.3 million families with children. Despite being recognized as a foundation sport and the ideal sport to introduce physical literacy to children, gymnastics is no longer part of the school physical education curriculum. We believe it incumbent on Gymnastics Ontario to introduce the benefits of our sport to Ontario's parents and their children.
 - A) Look to acquire amateur sport marketing and promotion expertise
 - B) Market the sport in partnership with GCG and Toronto 2015 in run-up to the Pan Am Games
 - C) Market the sport in partnership with clubs, community and schools
3. **Operational Standards and Compliance:** Excellence starts with a commitment to quality, followed by establishing and effectively communicating our standards to all members of the Gymnastics Ontario community.
 - A) Standards—Review and streamline all policies and technical regulations
 - B) Assurance—Improve club compliance to standards and policies
4. **Athlete Retention:** Participation in gymnastics drops off significantly during the teenage years, yet our sport relies on this group of gymnasts for its future coaches, judges and supporters. We believe participation in gymnastics should be life-long and opportunities for continued participation need to be identified and communicated to athletes.
 - A) Retention - Develop competition and performance opportunities for non-national stream athletes
 - B) Retention - Acknowledge and recognize the gymnast
 - C) Explore charter schools and/or a provincial training centre

President's Message

On behalf of the Board of Directors of Gymnastics Ontario, I would like to congratulate the membership on yet another successful year.

Ontario implemented a new OCP program that was built on the foundations and modeled after the Junior Olympic Program. This new OCP program has been very successful, and moving forward next season we will continue to move closer to the USAG JO system.

Ontario athletes throughout all disciplines showed excellent levels of performance at national and international arenas. Ontario athletes continue to strive for excellence inspiring younger generations. With this said, club memberships continue to grow each year.

As we look forward to, yet again, another successful year I would like to thank our volunteers, board, staff and the entire gymnastics community for the support and continued commitment to the Federation.

Cheers - Linda

Linda Clifford

- Insurance Coverage
- Beyond the Scores (WAG and MAG)

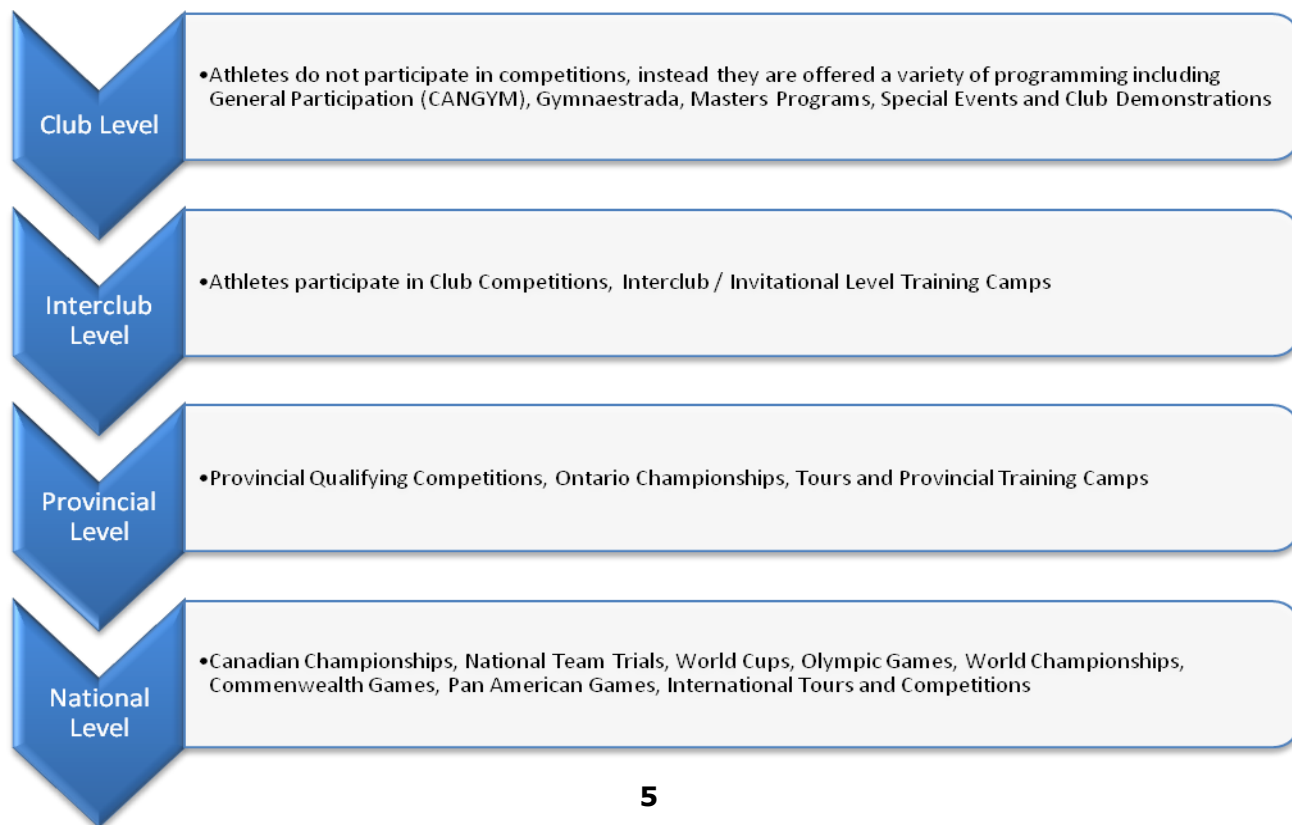

Athlete Development Pathway

Stage One: Participation and Talent Identification

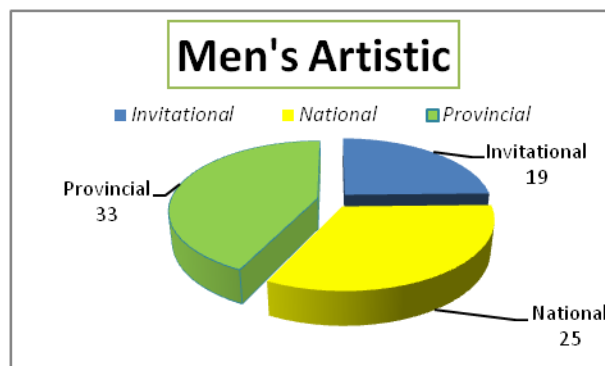

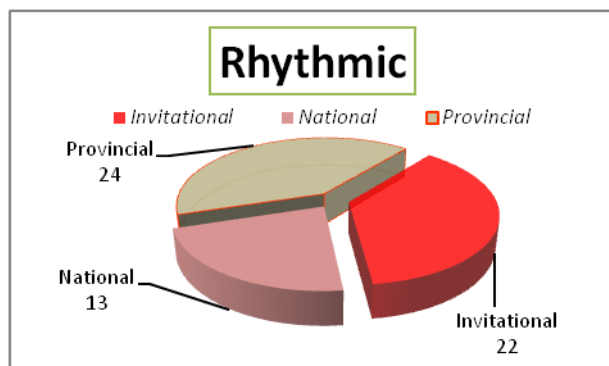

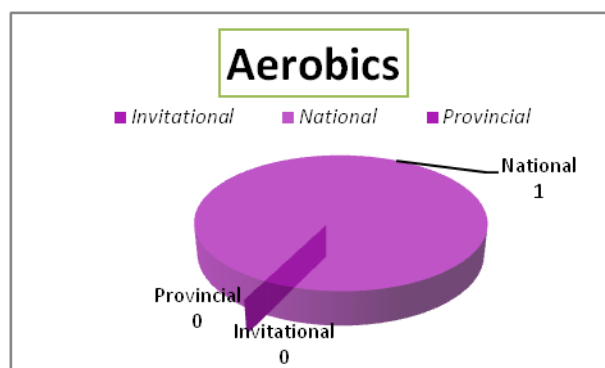

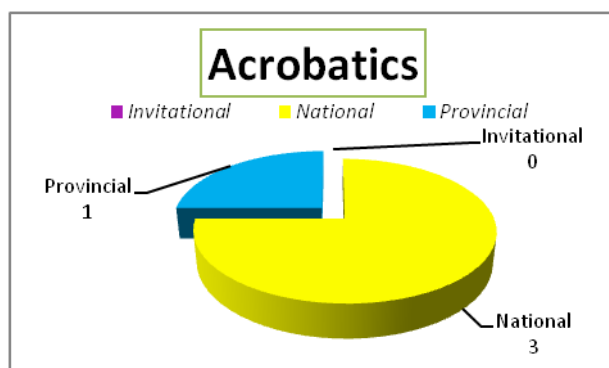

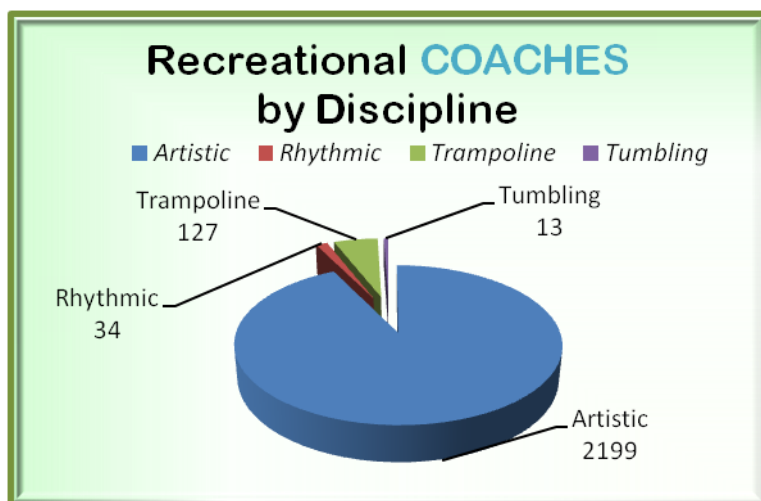

Stage Two: Selection of a Competitive Program

Stage Three: Progression through Competitive Levels

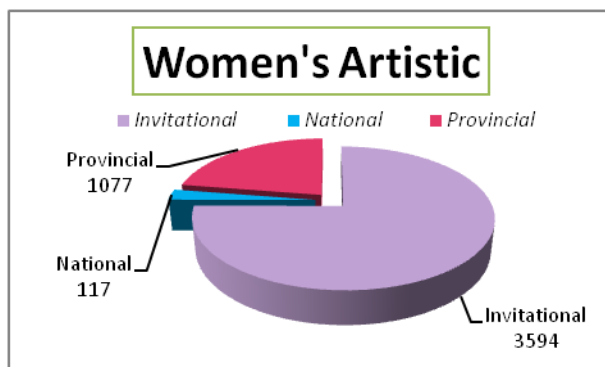

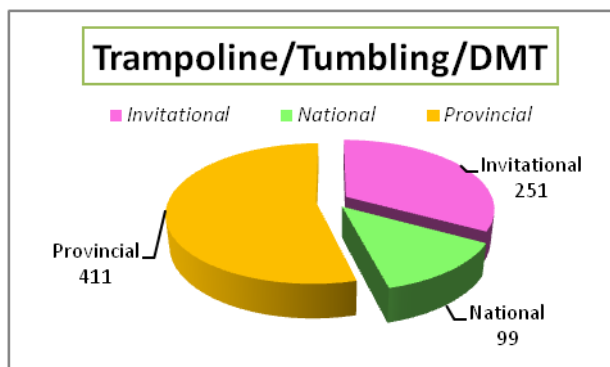

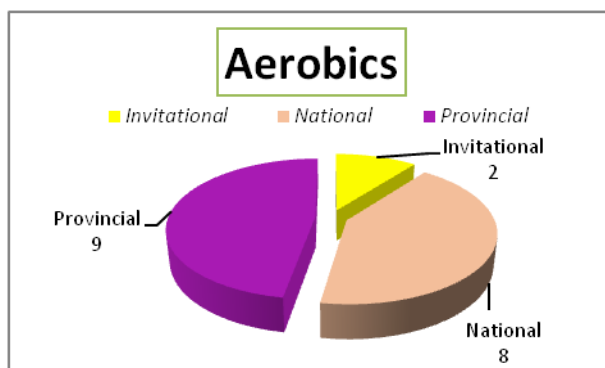

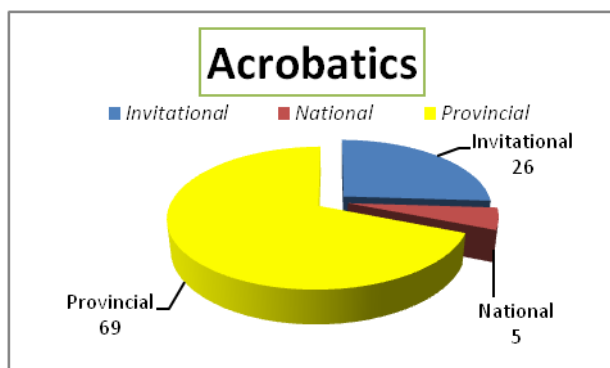

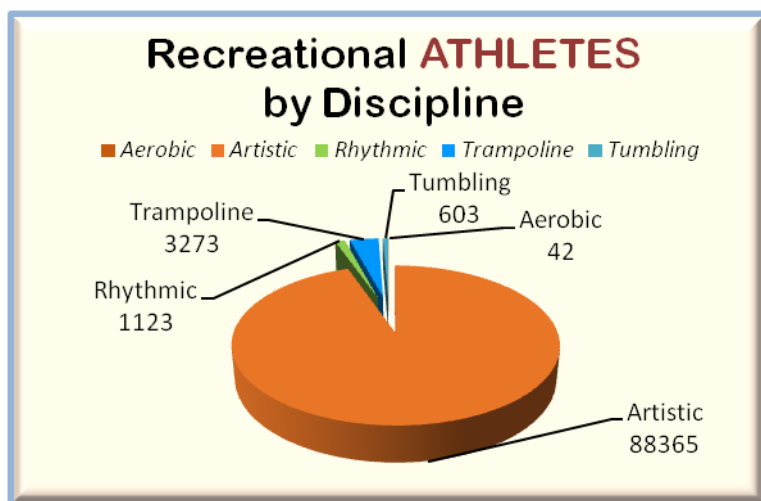

Coaches by Discipline

Athletes by Discipline

Athlete Development

CANGYM Program

The CANGYM Program binder is bilingual and comes complete with 5 distinct badge description sections outlining the skills in each level, and also includes original Participant Evaluation Forms and Progress Reports, along with Certificates of Participation and Completion that can be given to the participants. In addition, the CANGYM program includes a selection of Sample Coach's comments and Routines which coaches can utilize near the end of the term. This program can be adapted to a wide variety of age groups and abilities, and, paired with an enthusiastic coaching staff will help your club develop skilled and confident gymnasts.

The second edition of the CANGYM – ARTISTIC is endorsed by Olympic Champion Kyle Shewfelt.

Based on the CANGYM badge sales Gymnastics Ontario can determine that the majority of Ontario based gymnastics clubs are utilizing and have adopted this program. Currently the CANGYM badge program is being reviewed to include Rhythmic Gymnastics as has been done with Trampoline sports who currently utilize the CANJUMP program.

HIGH FIVE PROGRAM

Gymnastics Ontario also supports, delivers and encourages accrediting clubs as HIGH FIVE. HIGH FIVE is a comprehensive quality assurance standard for children's sport and recreation programs for children aged 6 to 12.

I LOVE GYMNASTICS WEEK

Gymnastics Ontario supports and promotes *I Love Gymnastics Week* which is now a National initiative that sees clubs across the country participating in demonstrations from inside their clubs to malls and in some cases taking gymnastics to the streets. The event has received proclamation by Mayors across Ontario yearly and supports the promotion of a fun environment for gymnasts of all ages to demonstrate their ability and commitment to programs. Some of the group demonstrations from *I Love Gymnastics Week* will move on to Canadian *Gymnaestrada* and in some cases to the World *Gymnaestrada*. Ontario's Rhythmic gymnastics clubs are the largest promoters of these events given their pre alignment to group routines.

Coach Development

This season Gymnastics Ontario effectively hosted 160 NCCP coaching courses with over 2,400 coaches participating. Over 40 different clubs located across the province have hosted NCCP courses this past year and we would like to thank all the clubs who helped to make these courses a tremendous success. To thank the clubs for their commitment, Gymnastics Ontario reinvested over \$36,000 back into member clubs who hosted NCCP courses through rental fees and complimentary participant registrations. We would like to thank all the Learning Facilitators for their time and dedication in preparing and delivering the courses across the Province.

NCCP courses this past year consisted of the three main disciplines - Artistic, Trampoline and Rhythmic, training over 800 coaches in Foundations, over 250 coaches in Level 2 Technical courses and over 25 coaches in Level 3 Technical courses.

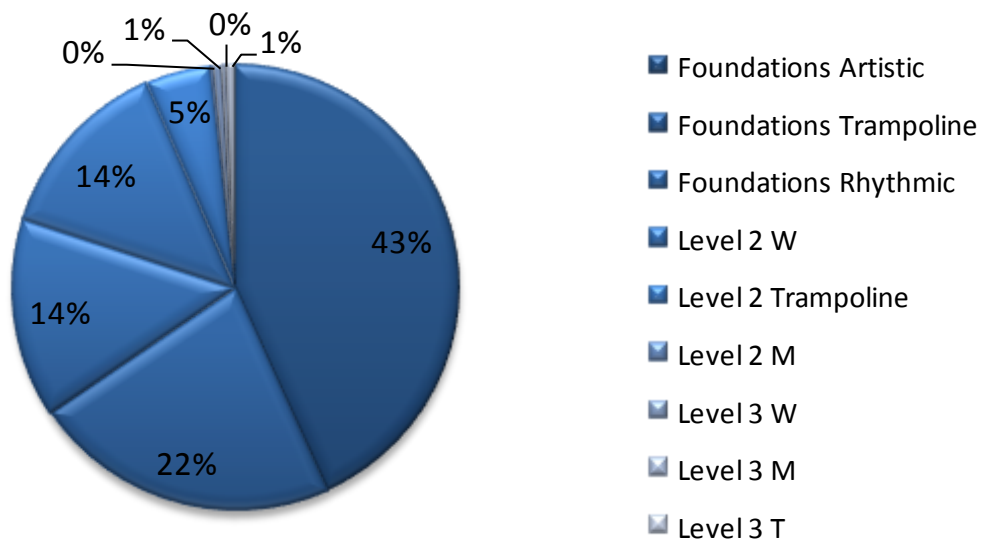

On-line Risk Management Program continues to be mandatory for all Gymnastics Ontario coaches. In 2013-2014 we have had 530 coaches complete Part A and 358 coaches Part B modules.

The 2013 Coaching Congress was held at East York Gymnastics Club which proved to be a fantastic facility for this event. A record number of 375 coaches attended the conference to expand their coaching knowledge and listen to the expert clinicians who came from the United States and Canada to share their knowledge.

Independent Auditor's Report

**To the Members of
Ontario Gymnastic Federation**

We have audited the accompanying financial statements of Ontario Gymnastic Federation, which comprise the statement of financial position as at June 30, 2014 and the statements of income and expenses, changes in net assets and cash flows for the year then ended, and the related notes, which comprise a summary of significant accounting policies and other explanatory information.

Management's responsibility for the financial statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Audited Financial Statements

Ontario Gymnastic Federation

Notes to Financial Statements

June 30, 2014

1 Incorporation and operations

The Ontario Gymnastic Federation (the Federation) was incorporated as a not-for-profit organization without share capital under the Corporations Act of Ontario by letters patent dated April 3, 1974.

The Federation leads the sport of gymnastics in Ontario by striving for excellence in the development and promotion of quality programs and services that encourage lifelong involvement for all participants.

2 Summary of significant accounting policies

The financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations (ASNPO). The significant accounting policies are as follows:

Revenue recognition

The Federation follows the deferral method of accounting for contributions, which includes government grants. Operating grants are recorded as income in the period to which they relate. Contributions received for equipment and development costs are initially deferred and then amortized into income on the same basis as the associated asset.

Membership fees and user fees are recorded as income in the period to which they relate. Amounts received in advance of the related membership year are deferred at year-end.

Registration and cost sharing fees collected by the Federation on behalf of and remitted to the events' organizers are presented on a net basis in the statement of income and expenses. The total amount of such fees collected during the year ended June 30, 2014 is \$159,514 (2013 - \$409,221).

Sponsor grants related to specific events are deferred until the year in which the event is held, at which time they are recorded as income as the amounts are expended on applicable programs. Other grants are included in income when received or receivable.

The Federation also receives grants from the Ministry of Tourism, Culture and Sport. The approved grant for the funding period from April 2014 to March 2015 is \$204,578 (April 2013 to March 2014 - \$215,346).

Contributed materials and services

A substantial number of volunteers contribute a significant amount of time each year. Due to the difficulty of determining their fair value, these contributed services are not recognized or disclosed in the financial statements. Contributed materials are recorded when received at their fair value unless fair value cannot be reasonably determined.

Cash and short-term deposits

Cash and short-term deposits represent cash in the bank and short-term guaranteed investment certificates.

Audited Financial Statements

Ontario Gymnastic Federation

Notes to Financial Statements

June 30, 2014

Inventory

Inventory is stated at the lower of cost and net realizable value. Cost is determined on a first-in, first-out basis. Net realizable value is the selling cost of the product less provision for normal selling costs.

Property and equipment

Property and equipment are recorded at cost. Amortization on equipment and leasehold improvements is provided on a straight-line basis over five years, as this is the estimated useful life.

The Federation reviews the carrying amount of property and equipment for impairment whenever events or changes in circumstances indicate the carrying amount may not be recoverable. Any impairment determined by a comparison of the estimated undiscounted future operating cash flows to be generated by the asset with its net carrying value is written off at the time of impairment.

Development costs

Development costs represent costs incurred to develop the website and the online registration system for use by the member clubs. Development costs are amortized on a straight-line basis over five years.

Income tax status

The Federation is a not-for-profit organization as defined under the Income Tax Act and therefore no income taxes are provided for in these financial statements.

Use of estimates

The preparation of financial statements in accordance with ASNPO requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of income and expenses during the reporting period. Actual results could differ significantly from those estimates.

Financial instruments

The Federation's financial instruments recognized in the statement of financial position consist of cash and short-term deposits, accounts receivable and accounts payable and accrued liabilities. The fair values of these instruments approximate their carrying amounts due to their short-term maturities. It is management's opinion that the Federation is not exposed to any significant risks arising from these financial instruments.

	2014 \$	2013 \$
Balance - Beginning of year	142,889	70,877
Amounts received during the year relating to subsequent periods	190,643	142,889
Revenue recognized during the year	<u>(142,889)</u>	<u>(70,877)</u>
Balance - End of year	<u>190,643</u>	<u>142,889</u>

Audited Financial Statements

Ontario Gymnastic Federation

Notes to Financial Statements

June 30, 2014

In the current year, the Federation received and deferred a Team Ontario Development grant in the amount of \$21,993 to support improved athlete performance of Canada at international competitions in the subsequent fiscal periods.

7 Deferred capital contributions

	2014 \$	2013 \$
Balance - Beginning of year	9,326	18,651
Amortization of deferred capital contributions	(9,326)	(9,325)
Balance - End of year	-	9,326

The deferred capital contribution was received from the Ministry of Health Promotion to fund the Federation's website and online registration system.

8 Commitments

The Federation has entered into a long-term lease agreement for its office space, which includes automatic yearly renewals and expires on October 31, 2024. The Federation can cancel this lease agreement at any time by giving 90 days' written notice. An amount of \$50,658 is committed under this lease agreement for the next fiscal year. The annual lease commitment will escalate annually in accordance with the terms of the lease agreement.

In addition to the above, aggregate future payments under existing operating leases for equipment and software are as follows:

	\$
2015	59,950
2016	59,950
2017	1,658
2018	-
2019	-
2020 and thereafter	-
	<u>121,558</u>

9 Related party transactions

During the year, the Federation entered into various transactions with member clubs, which are owned by a member of the senior management team or various members of the Board of Directors. Revenues earned from these member clubs amounted to \$125,574 (2013 - \$152,758) and expenses incurred amounted to \$1,944 (2013 - \$2,511).

As at June 30, 2014, these member clubs had prepaid membership fees relating to the 2014/2015 membership year in the amount of \$4,603 (2013 - \$4,502) and the Federation owed these clubs a total of \$28 (2013 - \$1,871).

Audited Financial Statements

Ontario Gymnastic Federation

Notes to Financial Statements

June 30, 2014

These transactions were in the normal course of operations and are measured at the exchange amount, which is the amount of consideration established and agreed to by the related parties. The member clubs are charged fees consistent with arm's length clubs.

10 Special assessment

In October 2010, the members approved a \$2 special assessment fee to be levied on each participant for the fiscal years ending 2012 and 2013. In October 2012, this period was extended to include the fiscal year ending 2014. The special assessment fee is required to be split equally to fund the operations of the Federation and to rebuild its net asset reserves.

11 Interfund transfers

In October 2012, the Board of Directors approved the establishment of internally restricted reserves, which are to be equal to three months of insurance expenses (insurance reserve) and various other operating expenses (operating reserve) as estimated at the end of each fiscal year.

As at June 30, 2014, the combined internally restricted reserves amounted to \$656,607 (2013 - \$635,751), which reflect a cumulative transfer of \$298,414 (2013 - \$190,781) from the special assessment fee and net interfund transfers of \$358,193 (2014 - \$444,970) from regular operations.

12 Government remittances

Government remittances consist of harmonized sales taxes required to be paid to government authorities, which are recognized when the amounts come due. In respect of government remittances, \$1,403 (2013 - \$nil) is included in accounts payable and accrued liabilities.

13 Comparative figures

Certain comparative figures have been reclassified to conform to the financial statement presentation adopted for the current year.
