Please note the following changes to Interclub and Provincial RG and AGG streams will be made in the 2017-2018 season:

- Athletes between ages 7 and 8 who wish to participate in interclub invitationals should perform ODP1 requirements and those who wish to participate in provincial level events should perform ODP2 requirements.
- All ODP athletes should be registered with GO (via Amilia registration software) as recreational gymnasts.
- Gymnastics Ontario will produce a separate chart with difficulty requirements for all ODP programs.
