RG Memo

Dear RG Community,

For 2021-2022 season only, Gymnastics Ontario will allow the flesh-coloured lining / or flesh-coloured bodysuit under the leotard, EXCEPT that the crotch area must not be flesh coloured and must be non-transparent.

Currently this exception only applies to Ontario invitationals, Qualifiers, Elite Ontario and Ontario Championships. All athletes who wish to partake in events outside of Ontario, Eastern Regional Championships or any GymCan events MUST adhere to the new FIG rules.

NOTE: GO is requesting GymCan consider this same exception for athletes who do not compete internationally. All clubs will be notified once GymCan makes their decision.
