Strategic Plan 2018–2024

Mission

Gymnastics Ontario advocates, promotes and leads the development of quality programs and serves to enhance foundational movement, achieve athletic excellence and foster lifelong fitness for all participants

Vision

To Generate Gymnastics 4 Life

Values

Collaborative Leadership, Shared Transparency, Philosophy of Fairness, Diversity of Involvement, Gymnasts Centered Culture

The Gymnastics Ontario Strategic Plan sets out the strategic priorities that will guide direction over the current six years. Through the process of developing the Strategic Plan, four priority directions and 17 strategic objectives were identified and are outlined below. A more detailed description is available in the 2018-2024 Strategic Plan Report. The Strategic Plan does not focus on the many ongoing activities underway at Gymnastics Ontario (GO) and this does not diminish the importance of these activities, as they all contribute to achieving Gymnastics Ontario objectives.

1. Increasing Participation: We will enhance our communication and engagement with our members and our stakeholders to support the retention and growth of gymnastics across Ontario

- A) Develop a targeted approach for non-competitive and non-GO member clubs
- B) Develop a provincial marketing campaign to increase the visibility of gymnastics to Ontarians
- C) Develop a benefit of membership package to strengthen relationship with GO clubs
- D) Develop a communications plan to ensure all key stakeholders have access to timely and accurate information

2. Enhancing Development: We will strengthen the organizational capacity of clubs so they can better offer a quality experience and programs for athletes, coaches and officials

- A) Design and deliver an efficient online coaching education program
- B) Explore feasibility of GO hosting events to ensure highest standards of quality are maintained
- C) Encourage clubs to adhere to the True Sport Principles
- D) Review, update, and communicate GO programs, club guidelines, sanction protocols, insurance coverage and rules to ensure enhanced and safe clubs and competitions

3. **Generating Excellence:** We will define a provincial pathway for athletes, coaches and judges to achieve high performance success.
- A) Provide funding support for training and competitive opportunities for athletes across all disciplines
 - B) Maintain professional development opportunities for technical leaders
 - C) Develop a high-performance pathway for athletes, coaches and judges
 - D) Provide incentives to retiring athletes to become coaches and judges
4. **Sustaining Organizational Effectiveness:** We will have the capacity necessary to lead the organization with an efficient and effective governance and organizational structure
- A) Develop succession plans for key volunteers, board, staff, coaches and officials
 - B) Integrate Risk Management and Management by Values into GO business to foster a high performing culture
 - C) Review the organization's policies and organizational structure, and implement recommended enhancements
 - D) Update GO technologies so they are effectively meeting the needs of GO and its clubs
 - E) Review financial management systems, policies and procedures to ensure we are operating as effectively and efficiently as possible.

President's Message

As we enter the fall of 2022, we find our clubs full of joy with happy children returning to the sport they love. For most of us, we have not forgotten that COVID-19 had a negative impact on our sport for a little more than half the 2021-2022 season.

Our season began with the Ontario Government implementing Step 3 of reopening which was restricted to 50% capacity. The month of September saw the province requiring proof of vaccination for the participants. Subsequently, some regional health units changed protocols to include all coaches, administrators, spectators, and volunteers to be fully vaccinated as well. And then in January, another complete shutdown.

Finally in February, our clubs began to welcome back their membership and greeted the smiling faces of the highly enthusiastic and happy gymnasts, coaches, administrators and volunteers. At long last, after two long years, the first of our competitions were held the weekend of February 25, 2022.

I would like to acknowledge all host clubs for stepping up and hosting events during these difficult times. Several competitions had to be postponed at the last minute and rescheduled just a few weeks later. I would like to thank Alliston Gymnastics for stepping up, at a moment's notice, to host the MAG & WAG Level 6 + Ontario Championships from Sunday, May 22 which were cancelled due to the massive power outage. This is yet another sign of the strength of our clubs, community, and staff.

Our membership should be very proud of their resiliency over the past two years. For many of us, these were incredibly trying times, full of uncertainty and confusion over which restrictions applied to which sector. It was heart breaking enough to have to close down or restrict our businesses, but the continual lack of clarity made it even that much tougher.

But, as our young athletes are often heard saying "we did it." Here we all are, re-building the sport we all love.

I would like to thank our clubs, volunteers, administrators, coaches, judges, staff and the Board of Directors for their time and commitment in making our sport a fantastic success.

Cheers – Linda

Athlete Development Pathway

Stage One: Participation and Talent Identification

Stage Two: Selection of a Competitive Program

Stage Three: Progression through Competitive Levels

Athlete Development

Gym for All Program Assembly

The first annual Gymnastics for All Program Assembly was held virtually on June 28, 2022, and was attended by 20 member clubs. The Assembly provided attending member clubs the opportunity to learn more about the Gymnastics for All Program, including general information on the Gymnastics for All discipline, current GFA Committee initiatives, future GFA Committee plans, and an open forum to ask questions. Following the Assembly, the minutes and presentation slides were distributed to all clubs for further information and future reference.

The GFA Program Committee looks forward to June 2023 and discussing the continued development of Gymnastics for All programming with our member clubs.

Gymnaestrada

A Gymnaestrada is a participation-based, non-competitive, group routine (with or without props and/or apparatus), gymnastics festival! A Gymnastics for All performance event that allows groups of all ages, gender, skill level, and discipline to showcase their talents, creativity, and love of gymnastics!

Ontario Gymnaestrada 2022 was held as a virtual event. Club submissions were received in June and published on July 13, 2022, to the Gymnastics Ontario YouTube Channel as performances in our Virtual Ontario Gymnaestrada 2022 playlist:

Gymnastics Ontario YouTube Channel (main page):

<https://www.youtube.com/GymnasticsOntarioOfficial>

Gymnastics Ontario aims to continue growing participation in Gymnastics for All events across Ontario. Looking forward, we hope that Ontario Gymnaestrada 2023 will return to an in-person format, and that more clubs will join us in furthering this movement.

GFA events schedule (2020-2024):

- CANCELLED: Ontario Gymnaestrada 2020 – Belleville, ON (June 20-21, 2020)
- CANCELLED: World Gym for Life Challenge 2021 – Lisbon, Portugal (July 14-17, 2021)
- Ontario Gymnaestrada 2021 – Virtual (June 16, 2021)
- Canadian Gymnaestrada 2022 – Edmonton, AB (June 30-July 5, 2022)
- Ontario Gymnaestrada 2022 – Virtual (July 13, 2022)
- Ontario Gymnaestrada 2023, 2024 – dates & locations TBD
- World Gymnaestrada 2023 – Amsterdam, Netherlands (July 30-August 5, 2023)

Ontario Gymnastics Week & Canadian Gymnastics Week

Within the 2021-2022 season, Gymnastics Ontario held the week-long Ontario “I Love Gymnastics” celebration twice. A combined *Ontario Gymnastics Week 2021* and *Canadian Gymnastics Week 2021* was celebrated from October 3-9, 2021, and *Ontario Gymnastics Week 2022* was celebrated from February 12-18, 2022. Both celebrations provided our member clubs with opportunities to celebrate gymnastics across the Province and within their own clubs and communities.

Ontario Gymnastics Week 2021 (OGW 2021) supported the social media activities of Canadian Gymnastics Week, with additional activities available for Ontario clubs. These additional activities included a social media contest, social media challenges, the “Why I Love Gymnastics” compilation video, and resources for in-club activities. OGW 2021 was successful in engaging approximately 31 member clubs on social media with an estimated 10 additional member clubs participating offline. Thank you to our OGW 2021 sponsors: Spieth America and Franca RG - VNT Canada.

Feedback from our Ontario member club community in 2021 was that they preferred Ontario “I Love Gymnastics” Week to be held in February instead of October. Based on this feedback, it was decided that Ontario Gymnastics Week 2022 (OGW 2022) and future Ontario Gymnastics Weeks would be held in February, with the dates to include Valentine’s Day.

With only a few months from October to February, OGW 2022 included many similar activities as OGW 2021. Resources for in-club activities were updated, including a new “Why I Love Gymnastics” Coach Profile, new colouring sheets, and all resources now available in both English and French. Gymnastics Ontario also provided shareable material during OGW 2022 by posting a daily fun *#ONGymnasticsFact* on social media (@gymnasticsontario on Facebook and Instagram). OGW 2022 was successful in engaging approximately 54 member clubs on social media; our largest online participation of any Ontario Gymnastics Week to-date.

Looking forward, Ontario Gymnastics Week will continue to be held annually in February and Canadian Gymnastics Week will be held annually in October. Ontario’s main event will be Ontario Gymnastics Week, however Ontario will continue to support Canadian Gymnastics Week so as to provide Ontario clubs with two celebration opportunities each year.

Gymnastics Ontario and the GFA Program Committee look forward to continuing the development of Ontario’s “I Love Gymnastics” Week and engaging our member clubs with this celebration of gymnastics.

GFA Newsletter and Resources

Providing clubs with resources to assist with Gymnastics for All / Recreational programming has continued to be a priority this year for the Gymnastics Ontario GFA Program Committee. All published resources, including GFA REC 'N' ROLL newsletters, can be found at:

<https://www.gymnasticsontario.ca/gym-for-all/gfa-documents/>

Social Media Resources and Engagement

Gymnastics Ontario has provided several opportunities for our member clubs to engage online and continue to celebrate and promote the sport of gymnastics during the 2021-2022 season:

- **The Benefits of Gymnastics Social Media Campaign** was published in August 2021 and features 7 benefits of gymnastics. Member clubs are encouraged to use the images and captions to promote gymnastics in their community. The images and captions can be found at:
 - <https://www.gymnasticsontario.ca/benefits-of-gymnastics/>
 - @gymnasticsontario on Facebook and Instagram
- **The Ontario Clubs Summer 2021 Torch Relay** was published on August 12, 2021, to the Gymnastics Ontario YouTube Channel. 26 member clubs participated.
 - Watch the video here: <https://www.youtube.com/watch?v=GN53IG1Sfvq>
- **The Ontario Clubs “Why I Love Gymnastics” Compilation Video** was part of Ontario Gymnastics Week 2021 and was published on October 9, 2021 to the Gymnastics Ontario YouTube Channel. 8 member clubs participated.
 - Watch the video here: <https://www.youtube.com/watch?v=5t0KiFtEp-U>
- **Social Media Challenges** continue to allow clubs opportunities to connect and showcase their programs online. Challenges will continue to be offered as part of Ontario Gymnastics Week and at other times throughout the year.

CanGym Program

As of February 2017, the CanGym program has been undergoing a complete program revitalization.

The revitalized CanGym Philosophy:

“CanGym is a nationally recognized collection of Gymnastics for All programs that unites participants, coaches, clubs, and communities. Utilizing an inclusive and developmentally appropriate approach, CanGym empowers participants to build a foundation of physical competence and confidence to enjoy a lifetime of healthy, active living.”

Athlete Development (Cont'd)

During the 2021-2022 season, the CanGym revitalization project has continued development. The new CanGym Program is anticipated to launch in stages, with the Active Start (ages 0-6) component to be released first. The announced release date of Spring 2022 for Active Start was unfortunately delayed with a new expected release date of Fall 2022.

Update videos: <http://gymcan.org/programs/cangym/cangym>

Active Start webinar recording: <https://vimeo.com/579880052>

CanGym Programs:

- *Active Start*: Multi-discipline, organized by FMPs
- *FUNDamentals*: Organized by Fundamental Movement Patterns (FMPs), customizable by apparatus
- *Learn to Train*: Organized by apparatus, customizable by discipline
- *Fit for Life / Active for Life*: Personal goals and objectives; involvement in pre-Coach In Training (CIT), National Coaching Certification Program (NCCP)

High Five Program

Gymnastics Ontario also supports, delivers and encourages accrediting clubs as HIGH FIVE. HIGH FIVE is a comprehensive quality assurance standard for children's sport and recreation programs for children aged 6 to 12.

Coach Development

Gymnastics Ontario scheduled 213 NCCP coaching courses in the 2021-2022 season. As a result of Government restrictions causing facility closures across Ontario, a total of 21 in-person NCCP courses cancelled this season.

There were 47 GO Member Clubs located across Ontario that have hosted (or were scheduled to host) NCCP courses. Gymnastics Ontario would like to sincerely thank all host clubs that provided use of their facility and equipment to help make the courses that were able to run a success. Gymnastics Ontario has reinvested approximately \$35 000 back into host clubs through facility rental fees and complimentary participant registration reimbursements.

Gymnastics Ontario would also like to acknowledge all the hard-working Ontario Learning Facilitators for their time, dedication, and flexibility in preparing (and adapting) courses that have been able to run across the province.

The NCCP is still in a transitional period as we continue to move away from the old NCCP Levels system of training to Community Sport and Competition Stream courses for the remaining disciplines (Trampoline and Rhythmic).

The Make Ethical Decisions (MED) Online Evaluation is a requirement for all coaches and Coach Developers looking to become certified in any context within the updated NCCP. Coaches with transferred qualifications will have 5 years from January 1, 2022 to complete the MED Online Evaluation. This is a requirement to maintain an active Certified status in every context. The evaluation must only be completed one time and does not have to be renewed every maintenance cycle.

Artistic Gymnastics is the first of the gymnastics disciplines to make a full transition into the updated NCCP system of training (Foundations and Competition 1-4). The Transfer of Qualifications has been applied in the Locker for all Women's and Men's Artistic coaching qualifications. Gymnastics Ontario and Gymnastics Canada continue to work together to manually update any coaching credentials that have not been transferred to the correct equivalent status in the Locker.

The Competition 2 Trampoline Technical course was piloted October 4-7, 2022 at Osborne Academy of Acrobatics in Pickering, Ontario. Competition 3 Trampoline is estimated to be offered in the first half of 2023.

Rhythmic Gymnastics has the Competition 2 pilot scheduled for July 19-22, 2022. Plans for the Competition 3 pilot are still underway.

The Competition 3 WAG/MAG pilot and LF Training are scheduled to run early next season (2022-2023).

Acro Competition 1 and the remaining Rhythmic/Trampoline course content is currently in the development stages.

Coach Development (Cont'd)

NCCP Theory modules for Foundations and Competition Introduction have officially transitioned to online delivery as of July 2021. All Theory modules moving forward can be accessed through Gymnastics Ontario online learning and Coaches Association of Ontario online learning.

There were 2579 coaches that attended NCCP courses offered in Ontario this season.

Ontario had 360 coaches complete the Respect in Sport online course (352 initial certifications and 8 recertifications).

The annual GO Coaching Congress (2021) was not scheduled to run in 2021-2022. In place of a virtual Congress, coaches were offered weekly educational webinars from January 2021 – June 2021. Webinars were free of charge to any GO Member that wished to participate. Gymnastics Ontario, in partnership with Gymnastics Canada, offered a recording of the NCCP Information session via the Supporting Coaches Webinar Series to help coaches with questions pertaining to the Transfer of Qualifications and general NCCP inquiries.

INDEPENDENT AUDITOR'S REPORT

To the Members of
Ontario Gymnastic Federation
TORONTO

Opinion

We have audited the accompanying financial statements of Ontario Gymnastic Federation which comprise the statement of financial position as at June 30, 2022 and the statement of operations, statement of changes in net assets and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Ontario Gymnastic Federation as at June 30, 2022 and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Matter

The financial statements of Ontario Gymnastic Federation for the year ended June 30, 2021 were audited by another auditor who expressed an unmodified opinion on those financial statements on October 13, 2021.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the entity's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

ONTARIO GYMNASTIC FEDERATION

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2022

NATURE OF OPERATIONS

The Ontario Gymnastic Federation (the "Organization") was incorporated as a not-for-profit organization without share capital under the Corporations Act of Ontario by letters patent dated April 3, 1974.

The Organization leads the sport of gymnastics in Ontario by striving for excellence in the development and promotion of quality programs and services that encourage lifelong involvement for all participants.

The Organization is a not-for-profit organization as defined under the Income Tax Act (Canada), and therefore no income taxes are provided for in these financial statements.

1. SIGNIFICANT ACCOUNTING POLICIES

These financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations ("ASNPO").

Change in Accounting Policy

Financial Instruments Originated or Exchanged in a Related Party Transaction

The Organization applied the amendments to FINANCIAL INSTRUMENTS, Section 3856, relating to the recognition of financial instruments originating or exchanged in a related party transaction.

Under these new requirements, such a financial instrument is initially measured at cost, which is determined depending on whether the instrument has repayment terms.

Subsequent measurement depends on the initial method used and is usually at cost less any reduction for impairment.

The adoption of these new requirements had no impact on the Organization's financial statements.

The financial statements include the following significant accounting policies:

a) Use of Estimates

The preparation of the consolidated financial statements in accordance with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions based on currently available information. Such estimates and assumptions affect the reported amounts of assets and liabilities as at the date of the financial statements and the reported amounts of revenues and expenses during the year. Actual results could differ from the estimates used. Significant estimates include allowance for inventory obsolescence, and useful lives of property and equipment.

ONTARIO GYMNASTIC FEDERATION

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2022

1. SIGNIFICANT ACCOUNTING POLICIES- Continued

b) Cash and cash equivalents

Cash and cash equivalents consist of cash held in bank accounts.

c) Property and equipment

Property and equipment are recorded at cost. Amortization is being provided over the estimated useful life of the assets using the following annual rates and methods:

	<u>Method</u>	<u>Term</u>
Computer equipment	Straight-line	5 years
Office equipment	Straight-line	5 years
Leasehold improvements	Straight-line	Lease term
Discipline equipment	Straight-line	3 years

d) Impairment of Long-Lived Assets

A long-lived asset is tested for impairment whenever events or changes in circumstances indicate that its carrying amount may not be recoverable. An impairment loss is recognized when the carrying amount of the asset exceeds the sum of the undiscounted cash flows resulting from its use and eventual disposition. The impairment loss is measured as the amount by which the carrying amount of the long-lived asset exceeds its fair value. There are no impairment indicators in the current period.

e) Revenue Recognition

The Organization follow the deferral method of revenue recognition.

Membership fees, national coaching certification program (NCCP) fees, club fees, user fees, resource sales, other income and marketing and promotion income are recorded as revenue in the year to which they relate. Amounts received in advance of the related membership year are deferred.

Registration and cost sharing fees collected by the Organization on behalf of and remitted to the events' organizers are presented on a net basis in the statement of operations.

Sponsor grants related to specific events are deferred until the year in which the event is held, at which time they are recorded as revenue as the amounts are expended on applicable programs. Other grants are included in revenue when received or receivable.

Amounts received and receivable under the Canada Emergency Rent Subsidy (CERS) and Canada Emergency Wage Subsidy (CEWS) programs are restricted contributions and are recognized in income in the same period when the respective employee expenses are recorded.

ONTARIO GYMNASTIC FEDERATION

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2022

1. SIGNIFICANT ACCOUNTING POLICIES- Continued

f) Contributed Materials and Services

Volunteers contribute a significant number of hours per year to assist the Organization in carrying out its activities. Because of the difficulty in determining their fair market value, contributed services are not recognized in the financial statements. Contributed materials are recorded when received at their fair value unless fair value cannot be reasonably determined.

g) Financial Instruments

Measurement of Financial Instruments

The Organization initially measures its financial assets and liabilities originated or exchanged in arm's length transactions at fair value. Financial assets and liabilities originated or exchanged in related party transactions, except for those that involve parties whose sole relationship with the Organization is in the capacity of management, are initially measured at cost. The cost of a financial instrument in a related party transaction depends on whether the instrument has repayment terms. The Organization subsequently measures all its financial assets and liabilities at cost or amortized cost. Financial assets subsequently measured at amortized cost include cash, investments and accounts receivable. Financial liabilities subsequently measured at amortized cost include accounts payable, accrued liabilities and the CEBA loan. The Organization has no financial assets measured at fair value and has not elected to carry any financial asset or liability at fair value.

Impairment

Financial assets measured at cost are tested for impairment when there are indicators of impairment. The amount of the write-down, if any, is recognized in excess of revenue over expenses. The previously recognized impairment loss may be reversed, to the extent of the improvement, directly or by adjusting the allowance account. The reversal may be recorded provided it is no greater than the amount that had been previously reported as a reduction in the asset and it does not exceed original cost. The amount of the reversal is recognized in the excess (deficiency) of revenues over expenses.

2. INVESTMENTS

Investments consist of guaranteed investment certificates, with a maturity date of April 2024, earning a fixed interest rate of 2.50%.

ONTARIO GYMNASTIC FEDERATION

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2022

6. CEBA LOAN PAYABLE

The Organization received a non-interest bearing \$40,000 Canada Emergency Business Account ("CEBA") loan as part of the Canadian government's support for small businesses and not-for-profit organizations in response to the effects of the COVID-19 pandemic. In the prior year, the forgivable portion of \$10,000 of the CEBA was recognized as revenue in the statement of operations. The remaining \$30,000 loan is repayable by December 31, 2023 and is non-interest bearing until that date.

7. GOVERNMENT ASSISTANCE

The Organization also receives grants from the Ministry of Tourism, Culture and Sport. The approved grant for the funding period from April 2021 to March 2022 is \$204,579 (2021-\$447,235).

8. COMMITMENTS

The annual future payments under existing operating leases for facility, equipment and software are as follows:

2023	\$ 73,582
2024	43,476
2025	<u>40,899</u>
	<u>\$ 157,957</u>

9. CONTINGENCY

In the normal course of its operations, the Organization is party to legal matters. The Organization makes provisions when it deems appropriate. In the opinion of management, the total amount of potential liability cannot be reasonably estimated. Any liability, net of amount accrued, will not have any significant unfavourable impact on the Organization's financial position.

10. RELATED PARTY TRANSACTIONS

During the year, the Organization entered into various transactions with member clubs, which are owned by a member of the senior management team or various members of the Board of Directors. Revenues earned from these member clubs amounted to \$183,444 (2021 - \$68,486) and expenses incurred amounted to \$23,012 (2021- \$nil).

As at June 30, 2022 these member clubs had prepaid membership fees relating to the 2022/2023 membership year in the amount of \$12,625 (2021-\$nil). These transactions were in the normal course of operations. The member clubs are charged fees consistent with arm's length clubs.

ONTARIO GYMNASTIC FEDERATION

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2022

11. INTERFUND TRANSFERS

In October 2012, the Board of Directors approved the establishment of internally restricted reserves, which are to be equal to three months of insurance expenses (insurance reserve) and various other operating expenses (operating reserve) as estimated at the end of each fiscal year.

As at June 30, 2022, the combined internally restricted reserves amounted to \$1,028,000 (2021 - \$608,000) which reflect a cumulative transfer of \$298,414 (2021 - \$298,414) from the special assessment fee and net cumulative interfund transfers of \$729,586 (2021 - \$309,586) from regular operations.

12. FINANCIAL INSTRUMENTS

Risks and Concentrations

The Organization is exposed to various risks through its financial instruments. The following analysis provides a summary of the Organization's exposure to and concentrations of risk at June 30, 2022:

a) Credit Risk

Credit risk is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. The Organization is exposed to this risk mainly in respect of its accounts receivable. Management mitigates this risk by actively keeping their receivables up to date. There has been no change in the assessment of credit risk from the prior year.

b) Liquidity Risk

Liquidity risk relates to the risk that the Organization will encounter difficulty in meeting its obligations associated with financial liabilities. The Organization is exposed to this risk mainly in respect of its accounts payable and accrued liabilities and CEBA loan. Management mitigates this risk by closely monitoring cash flow needs. There has been no change in the assessment of liquidity risk from the prior year.

c) Market Risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: currency risk, interest rate risk, and price risk. The Organization is not exposed to significant market risk.

13. COMPARATIVE AMOUNTS

Certain comparative amounts have been reclassified to conform to the current year's financial statement presentation.
