# Why Safe Sport committee?

GO will be proactive in providing and promoting all necessary **Safe Sport** resources by prioritizing the current and future well being of each member.

GO will create simple, direct access to be able to locate all **Safe Sport, Best Practices, and Educational** resources for all members.

GO will promote a culture of joyful, positive experiences in our sport right from the grassroots to our highest levels.

GO will promote existing educational resources for coaches, participants, judges, club board members, gym owners, parents and volunteers on the importance of **Safe Sport**.

GO will foster through education inclusivity, positive values and behaviours, long term participation and development, and promotion of positive athlete engagement.

# Current Initiatives

## Update GO Website Homepage

Create a banner on the homepage that includes all Safe Sport resources in a concise catalogue.

## Responsible Coaching Movement

Mandatory for all clubs to participate in the Responsible Coaching Movement (RCM) and that Commit to Kids become an annual requirement.

## GO Policy Changes

Review all GO policies to ensure they align with the RCM Rule of Two.

# Future Initiatives

## Safe Sport Training Webinars

To provide webinars for GO members to learn more about specific Safe Sport resources and educational tools in order to create a culture of safety with all interactions with children.

## Coach & Judge Education

To annually provide coaches and judges with ongoing training in Safe Sport in conjunction with NCCCP or PD initiatives.

## Leaders in Safe Sport

To ensure GO becomes a leader in all Safe Sport policies, initiatives, and training.

# GO is committed to Safe Sport!

GO is committed to take the lead and will be working with our community by providing all resources necessary to promote **Safe Sport**. Our community of coaches, participants, judges, club board members, gym owners, parents and volunteers must work together for the betterment of our sport.

*By working together, pooling our resources and building on our strengths, we can accomplish great things. ~ Ronald Regan*

*Coming together is a beginning. Keeping together is progress. Working together is success. ~ Henry Ford*
