The Program Manager/Committee Chairperson (or designate) will conduct the election and ensure that all proper processes are followed including:

- a) Election by secret ballot
- b) Ensuring scrutineers are properly instructed as to their duties
- c) Conducting re-votes as necessary (as in the case of ties or candidates not achieving a majority vote)
- d) Allowing the opening of nominations from the floor. The Program Manager/Committee Chairperson (or designate) will include any such nominations in the election process
- e) Allow all candidates to speak, or be spoken for if not in attendance

5. **Election Procedures:**

- a) Each voting member will be given 1 ballot for each round of elections.
- b) A candidate must receive a majority of the votes cast to be elected (i.e. 50 of possible 99)
- c) In the event that a candidate does not receive a majority of the votes cast, the candidate receiving the lowest number of votes will be dropped from the ballot on the subsequent round and a new vote will be held. This process is repeated until a candidate receives a majority of the votes cast.
