

APPENDIX D: MUSIC LICENSE STATEMENT FORM 2023-2024 SEASON

2950 Keele Street, Suite # 202
Toronto, Ontario, M3M 2H2

In order to ensure compliance with Canadian copyright law, every club that uses music which contributes to the actual gymnastics or fitness activities (AM/FM radio, satellite/internet, physical/digital media such as, CD, mp3, etc.) will be charged an annual fee for a SOCAN Music License and a Re;Sound Music License.

If a club does not use music in any way in their programs, that club will be required to sign a statement to that effect and submit it to Gymnastics Ontario advising that they will be responsible for the fee directly if SOCAN and/or Re;Sound subsequently finds that the club is in fact using music and issues an invoice to the member club. As this is a service to members intended to be a simple flow-through, Gymnastics Ontario will not be responsible for any charges that SOCAN and/or Re:Sound makes to clubs who have declared that they do not use music.

_____ (full name of the club) declares that it does not use music for its programming purposes and therefore declines payment of \$130.00 (\$55.00 + \$75.00) plus HST to Gymnastics Ontario. The club understands that it is responsible for any fee that is charged by SOCAN and/or Re:Sound if it is found that music is subsequently being used by the club for programming purposes.
