All individuals (athletes, coaches and judges) taking part in a Gymnastics Ontario sanctioned competition must be a registered participant of Gymnastics Ontario. This includes all individuals who do not reside in Canada. Membership with Gymnastics Ontario expires each year on June 30th.

The cost for non-Canadian resident participants is \$56.50 CDN (\$50.00 + HST). Foreign members are not entitled to insurance coverage or any other member benefits. Membership fees are non-refundable.

All Gymnastics Ontario events are required to have International Sanction approval from Gymnastics Canada before foreign athletes will be permitted to participate. Therefore, foreign participant membership will not be processed unless the event has received this sanction approval. Proof of insurance that does not exclude sport must be provided for each participant along with this form.
