# 1 GENERAL

## 1.1 PREFACE

The Policies, Procedures and By-laws of Gymnastics Ontario are the final authority for the Federation and govern the actions of all members, committees, sub-committees and working groups.

The rules contained in the current edition of Roberts Rules of Order will govern the Federation in all cases where they apply and where they do not conflict with specific By-laws or Rules of Order adapted by the Federation.

This manual contains Professional and Operational Guidelines, which govern the actions and behaviours of ALL Provincial, National and Brevet Gymnastics Ontario Women's Artistic Judges. National and Brevet judges are also responsible for information / rules regarding the National and Brevet Systems in the GymCan Women's Program Manual. The judging sections of this manual are available on the GymCan website <https://gymcan.org/> (Trello)

The Purpose of this manual is to ensure consistency in the Women's Program, by establishing rules, regulations and program guidelines and is reviewed and updated annually.

**All changes for this document and current season are highlighted.**

Thank you to the Judging Sub Committee for the work in developing, editing and maintaining the Professional and Operational Guidelines for Women's Artistic Judges.

## 1.2 JUDGING SUB-COMMITTEE

## 2 JUDGING REQUIREMENTS

### 2.1 PROFESSIONALISM AND EXPECTATIONS

A judge shall demonstrate professionalism and responsibility to the sport and respect for all members of Gymnastics Ontario.

The Professional Guidelines outlined in this document are intended to provide direction and to assist judges with decision-making.

It is not possible or practical to outline guidelines for each situation which may occur. In cases where a specific rule does not exist, the judge(s) is (are) expected to exercise common sense, practice courtesy and show respect in all decisions. Any such situation should be noted in the Competition Chief Judge (CCJ) Report, which will be forwarded to the WPJA for discussion if necessary.

Judges play a critical role in establishing the environment at all competitions. This environment should be safe, fair, positive, relaxed and friendly. The following guidelines will assist in establishing and maintaining the appropriate environment.

Judges are expected:

- To be a member in good standing of Gymnastics Ontario in one of the following membership categories (affiliated or unattached):
  - WAG Invitational Judge (Compulsory, Xcel and ODP Assessor)
  - WAG Provincial Judge (Level 9)
  - WAG National Judge (Level 10 and National/HP)
  - WAG Brevet Judge
- To respect the needs of each club, coach, gymnast, and other judges.
- To arrive at the judges' meetings on time in judging uniform.
- To understand, be aware of and adhere to the rules and regulations governing competitions.

- To be prepared for each specific judging assignment.
- To be certain that both coaches and gymnasts are present before the warm-up begins.
- To greet gymnasts on arrival at each event. All panel members are to stand to greet the gymnasts for their first event; the D1 is to stand to greet the gymnasts for all other rotations.
- To acknowledge gymnasts with eye contact at the beginning and end of each routine.
- To work quickly and accurately to produce a score, and to be prepared to justify that score with reference to current documentation.
- To be a cooperative member of the judging panel.
- To be unbiased, fair and impartial in scoring and aim for perpetual objectivity.

All registered Gymnastics Ontario Judges are required to adhere to Gymnastics Ontario's policies and procedures (including the *Code of Conduct and Ethics*), sign the Gymnastics Ontario Code of Conduct each competitive season to acknowledge their understanding and adherence to the Gymnastics Ontario Professional and Operational Guidelines for Women's Artistic Judges.

### JUDGING EXCELLENCE

- Excellence in judging is a goal shared by all officials. The mandate of the Judging Excellence Working Group (JEX) is to promote the professional behaviour of all judges and to improve relations and communications among judges and between judges and coaches.
- To recognize judges who have demonstrated excellence in carrying out their responsibilities.
- To identify opportunities for improving professionalism in judging
- To generate suggestions for enhancing the working relationships between judges, and between judges and coaches.

### Composition of JEX

- Women's Artistic Gymnastics Program Manager (WPM) (JEX Chair)
- Women's Artistic Gymnastics Program Judging Assistant (WPJA)
- Women's Artistic Gymnastics Judging Chair

\*for any conflict for a received complaint the chair may appoint an additional person to fill JEX. The appointed judge must be an active JO or Level 10 or higher judge who has a minimum of 5 years' experience and is preferably not a member of the Gymnastics Ontario WAG Judging Sub-Committee.

### Discipline & Complaints

The JEX Working Group may be called upon to address any of the following:

- JEX has discretion to choose which process should be followed and may use the following examples as a guideline:
- All complaints must be submitted in writing either independently [\(via Judging Complaint Form\)](#) or via meet reports [sent to both the WPM and WPJA.](#)
- Any individual named in a complaint by the complainant, must receive written notice of the submission, from JEX within two weeks.
- All individuals involved in the complaint must be given the opportunity to respond to it in writing.
- The JEX Working Group must meet within one month of receiving any complaint to review and to reach a decision or recommendation. The JEX Working Group may seek input from others as to the validity of the complaint.
- The JEX Working Group may render any of the following minor sanctions, which will be distributed by written decision to the complainant, respondent and Gymnastics Ontario.
- To address minor specific issues/concerns raised through independent referrals or meet reports (as outlined below), such as:
  - Errors in judgment
  - Improper application of Technical Rules
  - Improper conduct in working with or responding to judges, coaches, or athletes

- requirement to take or re-take a certification course
- To address major issues the JEX Working Group will notify the CEO who will direct the complaint to submit the matter pursuant as per the Gymnastics Ontario's **Discipline and Complaints Policy**, such as:
  - Repeated minor instances

### 3.5 UNABLE TO FULFILL JUDGING REQUIREMENTS

#### Invitational and Qualifying Competitions

Once you have confirmation from the Host Club or CCJ for a competition, you are then committed to judge that competition. If for any reason you cannot judge that meet, it is your responsibility to find a replacement. Your replacement must be an appropriate level for the competition and assignment (e.g., a D1 replaces a D1, a national judge assigned in a D2 role can be replaced by an Xcel or compulsory judge if only Xcel or compulsory athletes are competing).

First, contact the CCJ who may have some additional names that you could contact. Second, check the publishable list and send emails to appropriate level judges. Once you have a replacement, you must contact the CCJ to let them know the name and e-mail address of your replacement.

#### Tour Selection, Level 10-HP Designated competitions, CWG Trials and Level 3-5 and Level 6-10 Championships)

If for any reason you are unable to judge a selection competition which you were assigned, contact WPJA (Julie Arsenault-Howick). WPJA will assign a replacement for those competitions.

### 3.6 REIMBURSEMENTS

<i>For example:</i>					
<i>Competition is scheduled for 8 hours</i>					
<i>Actual finish time is 8 hours and 20 mins = paid for 8.5 hours</i>

Panel assignments can be changes leading up to/day of competition for a variety of reasons. If changes do occur and judges is no longer assigned, then no monetary compensation is guaranteed for those changes.					
Clubs have the option of exceeding the honorarium guidelines. CCJ's are expected to support clubs that wish to do so.					
Due to the unique nature of panel assignments of Tour Selection and Provincial Championships the honorarium may be modified to reflect a combination of number of sessions and/or hours judged.					
<b>The end of the competition is measured 5 minutes from the time when the last athlete completes her routine.</b>
